

# iCity program Membership

The iCity Program has been developed in order to help cities expose themselves to the Future Cities community. The members of iCity program can exchange experiences, best practices, etc. also, the iCities will be ranked against the international standards of Future Cities. Cities which are smart, digital, sustainable, green, eco, innovative, healthy, social, etc. cities can be member of this program.

If you want your city to be a member of our program iCity please provide us with the following information. As soon as your data have been processed by our team, you will find your city on our website.

Please fill this form and send it via email o the following address:

[president@FutureCitiesCouncil.org](mailto:president@FutureCitiesCouncil.org) with a subject title “iCities Membership Program”.
